## America's Great Danger

### AN ENGLISH COMMENTARY.

Told an eminent English scientist recently:

"The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All those are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national disease—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year."

You are likely to be one of the victims!

How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms are: Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flushes, Flushing, Sensation, Fainting, Headaches, Hypnotism, Irritability of the Heart, Melancholy, Falling Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Debility, Neuralgia, Fits, etc.

Rev. C. A. Cannon, pastor First Baptist Church, Yellow Springs, O., writes as follows:

"I have used Dr. Miles' Restorative Nerve for the past six months. I find it acts like a charm on the whole nervous system. I have not found unequal in giving immediate relief. Dr. Miles' Little Nerve and Liver Pill only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nerves Prostration. I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nerve gave me relief, and one thousand dollars would not cover the good it has done me." JOHN MINCHER, Youngstown, Ohio.

Dr. Miles' Restorative Nerve is unequalled in curing Nervous Diseases. It contains no opium or dangerous drugs. Dr. Miles' Medical Co., Elkhart, Ind.

Outbreaks, and crime generally, are never possible among people who are addicted to the use of dirt.

Banks Are Over \$2,000,000 Below the 25 Per Cent Legal Requirements, Which Had Its Effect.

New York, July 8.—Money on call nominally 4 per cent.

Postage rates, \$4.50 (\$4.85).

Government bonds firm.

The market was very dull today, less than 37,000 shares having changed hands during the two hours of business.

At the start prices ran off to 3 1/2 per cent. The market began to improve soon after the opening and developed considerable strength. The general list, however, receded only fractionally and closed steady in tone. The banks are now \$2,002,025 below the 25 per cent legal requirements. This is the first time they have been deficient since December 1, 1892, when they were \$2,429,020 below the legal limit. It is proper to add that the banks are in a better position than the statement indicates, the July dividend disbursements being only partially reflected in the exhibit.
